

TLL84 PREMIUM TRULOLINT WIPE

TRULOLINT TLL84 Wipers are versatile, offering a balance between performance and value. They combine softness and absorbency, making them ideal for a variety of wiping tasks. TRULOLINT TLL84 Wipers can also be used to clean tight corners on machinery due to their flexible nature.

Ideal for:

- Applying lubricants & precision cleaning
- Glass cleaning & polishing stainless steel
- Cleaning final assembly parts
- Food preparation areas
- Cleaning surfaces with solvents
- Surface wiping in Healthcare environments

- Tough, soft and durable. Use wet or dry.
- HACCP approved and suitable for food contact surfaces
- Cost efficient, strong and absorbent
- Quick and efficient removal of surface contaminants
- Consistent sheet size, shape and quality
- Solvent and chemical resistant
- Perforated for easy dispensing and controlled use.
