

TRUPREP TPP1000B SURFACE PREPARATION WIPERS

TRUPREP TPP1000B is a lightweight absorbent but strong surface preparation wipe. TRUPREP TPP1000B is strong, low-linting and works well with a variety of cleaners. TRUPREP TPP1000B is clean and manufactured without glues or binders, has a low particulate content and lack of binding additives help to enhance the quality of your work. All these features help you get the job done first time, leading to greater productivity and lower cost. TRUPREP TPP1000B is a great alternative to Sontara® Surface preparation wipes.

- Handy dispenser carton (300 wipes)
- Low linting
- Blue crepe embossed finish
- Great performance from start to finish
- Perfect for all metal surfaces
- Solvent resistant
