

TRUWIPE SUPER HEAVY DUTY WIPE ROLLS

TRUWIPES are made from special open weave cloth. The TRUWIPE structure makes it easy to pick up dirt and food particles and allows the wipe to be hygienically rinsed for use over and over again.

- Durable and long lasting
- HACCP certified and suitable for food contact surfaces
- Rinse clean and fast drying
- Quick and efficient removal of surface contaminants
- Colour coded to avoid cross contamination or germs
- Handy perforated roll
- Large 30cm x 45M roll containing 100 wipes

Ideal for:

- Food Preparation
- Health care & medical
- Hospitality
- Janitorial
- Industrial
- House hold
