

TRUPREP TPP68B 1 Ply Hard Blue Roll

TRUPREP TPP68B is designed to absorb water faster than conventional paper towel and it is a more effective wipe for drying.

TRUPREP TPP68B is developed to handle busy work areas minimising time and reducing the risk of product running out at the work station, and is made to fit most mechanical or touchless dispensers.

TRUPREP TPP68B is HACCP certified and suitable for use in food processing and food production areas, it is coloured blue for use with disposable items in food preparation, increases the visibility of the wipers and makes them ideal for everyday use in food management areas.

TPP68B blue roll is a great replacement for 6668 Blue Roll Towel.

- Extremely Absorbent
- Fits most common dispensers
- Strong 1 Ply construction
- 304M per roll
- Ideal for food manufacturing operations
